

JACQUES
GARCIA

« J'ai créé à travers mes décors un monde très personnel à partir de l'héritage culturel dont nous sommes tous issus. Mes créations sont peuplées de réminiscences qui appartiennent à la mémoire collective. Tout le monde peut trouver dans mes décors une parcelle qui correspond à son imaginaire. »

Ce fauteuil a été créé pour le restaurant chinois de l'hôtel de "La Réserve" à Genève, une institution locale !

Il exprime une volonté de dépaysement et de voyage immobile.

Tout leur chic réside dans le contraste entre la simplicité du dessin et la sophistication de leur traitement.
